O nás

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2024, Continental generated sales of €39.7 billion and currently employs around 190,000 people in 55 countries and markets.

With its premium portfolio in the car, truck, bus, two-wheel and specialty tire segment, the Tires group sector stands for innovative solutions in tire technology. Intelligent products and services related to tires and the promotion of sustainability complete the product portfolio. For specialist dealers and fleet management, Tires offers digital tire monitoring and tire management systems, in addition to other services, with the aim of keeping fleets mobile and increasing their efficiency. With its tires, Continental makes a significant contribution to safe, efficient and environmentally friendly mobility.

For 150 years we've been changing the way the world moves - now it is your chance to design the next chapter of the strategic growth field of Continental Tires

Contitrade is a fast-moving and agile trade organization of Continental. With over 1500 own branches and franchise partners, we offer high quality products and car services across EMEA. We in ContiTrade IT-Digitalization Factory team, take care of digital transformation needs of the organization.
