

Quality Process Inspector (Inspector II) – Cold Prep (Night Shift)

Tus actividades

YOUR TASKS

This role involves inspecting tires and semi-products to ensure compliance with Continental Tire quality standards, identifying and addressing non-conformities, and documenting findings in systems like SPC and CGMS. It also includes supporting continuous improvement through CBS meetings, problem-solving, and performance management activities.

HOW YOU WILL MAKE AN IMPACT

- Execute tire inspection to ensure product quality level compliance with Continental Tire WW standards
- Must be able to pass titmus eye exam with/without correction and color blindness to perform tasks
- Utilize, refer to, and perform tasks using Continental Tire WW semi-product off-standard standards catalogue and QMS standards (ISO/TS16949, CCC, etc.)
- Inspect semi-products from preparation to curing according to control plans
- Take the necessary actions in case of non-conformities (inform relevant production personnel, stop the next process from using the off-standard material, blocking of semi-products and items produced with off-standard material)
- Apply non-conformance procedure and complete over-inspection checklists
- Enter data into the electronic SPC data collection system where applicable and
- Knowledge of CGMS system and produce daily report for quality engineers
- Weigh and classify waste in waste collection area and enter/collect data
- Complete error proofing verification
- Support the Continental Business System (CBS) structure by participating in the applicable CBT meeting, reviewing and managing his/her/team performance, conducting simple problem-solving using action sheets, identifying and implementing improvement opportunities, participating in the CBT reviews, and taking ownership for presented parts of the team boards
- Be self-managed, detail-oriented, and capable of performing under pressure
- Follow all plant, ESH, CBS, quality, and department processes and procedures
- Other duties as assigned

NOTE: May not be inclusive of all work required and may be updated as needed.
