

Head of Technology ContiTech (m/f/diverse) - (Senior) Executive

- REF92468U

Your tasks

Join our journey to shape the future of materials and innovation!

You will be at the forefront of transforming ideas into reality by leading initiatives in:

Material & Product Platforms

- Roll-out and manage technological platforms for raw materials, and products.
- Maintain and improve competitiveness while managing complexity.
- Drive our portfolio towards performance, carbon neutrality, and circularity.
- Execute research and establish robust testing procedures to ensure technical compliance.

Standardization

- Harmonize and simplify R&D and Innovation processes.
- Implement IT tools and data strategies for efficiency.
- Ensure technical compliance across ContiTech's portfolio.

Sustainability

- Execute product and service strategies aligned with Continental's sustainability ambitions, focusing on carbon neutrality and circular economy.

Digital Products

- Define and manage technological platforms for hardware and software products.
- Ensure cyber security and technical compliance.

Innovation & Business Modeling

- Foster an innovative culture to make ContiTech the **first choice for material-driven solutions**.
- Support R&D and Business Areas with tech scouting and innovation initiatives.

Research

- Secure long-term research direction and build strategic external collaboration networks.

Your profile

- Phd in Chemistry or similar qualification
