

Working Student - eBusiness (m/f/d) - REF92519G

Your tasks

We are looking for a motivated working student to join our eBusiness team at the Hanover location starting in **February 2026**. The position requires a commitment of **20 hours per week** for **about 11 month** and offers valuable insights into digital business processes and project management within an international environment.

Your tasks will be:

- Assisting in project coordination, including planning, execution, and monitoring of tasks
- Assisting in collecting, analyzing, and interpreting data to support business decisions
- Preparing regular presentations and key visuals for processes and timelines
- Performing general administrative duties such as scheduling meetings, organizing files, and maintaining records
- Testing tools and frameworks to streamline the testing process and improve efficiency -identifying defects, documenting and collaborating with development teams to resolve issues promptly
- Supporting the EMEA user community for eBusiness applications and platforms

Your profile

- Students majoring in economics / IT or comparable fields of study
- Interest and experience in eBusiness
- Confident handling of MS Office-programs
- Fluent English language skills, both spoken and written. German or Spanish language skills are a plus
- Communication and interpersonal skills.
- Ability to work independently and as part of a team
- Attention to detail and strong organizational skills

Please attach your **current certificate of enrollment** and also your **current transcripts of records**. Those documents are mandatory for processing your application.

If required, please submit your **valid residence permit** as well as your **work permit** including the additional sheet.

Applications from severely handicapped people are welcome.

About us

Continental is a leading tire manufacturer and industry specialist. Founded in 1871, the company generated sales of €39.7 billion in 2024 and currently employs around 95,000 people in 54 countries and markets.

Tire solutions from the Tires group sector make mobility safer, smarter, and more sustainable. Its premium portfolio encompasses car, truck, bus, two-wheel, and specialty tires as well as smart solutions and services for fleets and tire retailers. Continental has been delivering top performance for more than 150 years and is one of the world's largest tire manufacturers. In fiscal 2024, the Tires group sector generated sales of 13.9 billion euros. Continental's tire division employs more than 57,000 people worldwide and has 20 production and 16 development sites.
