

Senior Manager Tax Reporting, Risk Management & Technology ContiTech (m/w/diverse) - REF92559A

Vos activités

We are looking for an experienced Senior Manager - Tax Reporting, Risk Management & Technology to join our global tax team in ContiTech. In this role, you will lead critical tax reporting processes, develop risk management frameworks, and drive digital transformation in tax through innovative technology solutions. You will act as a key contact for IFRS tax topics, auditors, and internal stakeholders, ensuring compliance and efficiency in a dynamic international environment.

Key Responsibilities

- Oversee the tax reporting process (Budget, Forecast, Actual) for all relevant topics in a global tax environment, including deferred tax accounting, tax expense calculation, and tax cash flow.
- Serve as the main point of contact for IFRS tax special topics and liaise with internal management, certified public accountants, and auditors.
- Develop and implement a tax risk management concept for the ContiTech Group.
- Design and implement proactive communication processes with German and international group companies to identify tax risks early.
- Create and deliver targeted training programs related to tax reporting and tax risk management.
- Lead the development and implementation of Tax IT solutions and digital tools for advanced analysis and reporting.
- Drive automation and process optimization using SAP, Business Warehouse, and other tax technology platforms.
- Work independently and quality-oriented within a small global team, maintaining close collaboration with operational business units.

Votre profil

- Completed degree in business administration or economics; tax consultant qualification is desirable.
- Proven professional experience in tax within an internationally operating industry or accounting firm.
- Excellent knowledge of accounting standards (IFRS, local GAAP, tax balance sheet).
- Strong affinity for technology and digitalization; advanced skills in MS Office and SAP.
- Awareness of tax-related issues and their impact on globally operating companies.
- Initial experience with internal control or risk management systems/tools is an advantage.
- Interest in leveraging data analytics and automation for tax risk monitoring and reporting efficiency.
- Excellent written and spoken English; good knowledge of German.
- Strong communication skills, team orientation, and intercultural
