

Test Engineer - NVH

Descrição da função

HOW YOU WILL MAKE AN IMPACT

SG 10/11

For the Test Engineer - NVH role, we are looking for an individual with experience in noise testing, preferably in the automotive or tire industry. You will be responsible for tire testing with regards to interior vehicle noise as well as exterior vehicle tire noise testing.

- Prepare, conduct, and report results of vehicle interior noise testing with respect to tire fitment, which will require conducting testing while operating the vehicle, and exterior vehicle tire noise testing
- Coordinate and present test findings to internal and external customers
- Plan and prepare testing with technicians on-site and external teams when testing off-site
- Conduct testing according to global legal standards or OE test requirements when applicable
- Develop and continuously update test methodology
- Maintain test equipment functionality and calibrations in accordance to internal and regulatory requirements
- Conduct testing according to weather and customer timing which will require adaptability for work day start times and travel to other test locations

Requisitos

WHAT YOU BRING TO THE ROLE

- Bachelor's Degree in Engineering, preferably in Mechanical, Automotive, or Electrical
- Minimum 2 years experience in automotive or noise testing
- Ability to conduct testing while operating a vehicle
- Proficiency with ArtemiS, B&K, Muller BBM, or similar NVH data acquisition software
- Excellent communication skills with the ability to interact effectively with technicians as well as internal and external customers
- Ability to organize test schedule to meet of internal and external customers
- Strong independent work ethic especially when testing off-site
- Willingness to relocate to Uvalde, Texas, and travel as required for the role (less than 10% of the time)
- Legal authorization to work in the U.S. is required. Continental is able to offer visa support for internal candidates or for those individuals who hold existing valid employment visas.
- Continental is able to pay relocation expenses for this opportunity.
