Production Supervisor - Pressroom

Vos activités

Job Description

The Production Supervisor – Pressroom is responsible for leading and supervising hourly production employees to ensure safe, efficient, and high-quality pressroom operations. This role drives daily execution, supports employee development, and ensures compliance with company policies, safety standards, and production goals.

HOW YOU WILL MAKE AN IMPACT

- Supervise hourly production employees, utilizing Group Leaders to assign work, monitor performance, and support training.
- Oversee employee training, job performance, and coordination with Quality and Process Engineering.
- Manage employee-related activities, including attendance, conduct, and personnel movement within and between plants.
- Ensure compliance with company policies, safety standards, security protocols, and proper use of company property.
- Manage workflow to meet production schedules and quality requirements.
- Complete and approve timekeeping, paperwork, and required documentation.
- Enforce company policies and address infractions in accordance with the Salaried Non-Exempt Handbook.
- Evaluate employee capabilities and complete written performance reviews.
- Coordinate with Maintenance to ensure routine and corrective maintenance needs are met.
- Communicate effectively across shifts to ensure smooth transitions.
- Mentor, coach, and train employees to support continuous improvement.
- Communicate departmental issues and personnel concerns to the Production Manager.
- Collaborate with other plants to maximize staffing efficiency and operational effectiveness.
- Perform other duties as assigned.

THE ENVIRONMENT

- Safety is our highest priority. All safety procedures and guidelines must be followed at all times, including the use of required PPE such as steel-toed shoes, hearing protection, and safety glasses.
- This role is in a non-climate-controlled environment and involves exposure to temperature extremes (hot/cold), forklift and pedestrian traffic, and elevated noise levels.
- The position includes a variety of physical tasks, such as lifting and operating machinery. Comprehensive training is provided.

WHAT YOU BRING TO THE ROLE

- Minimum of 3 years manufacturing experience
- Ability to follow instructions written in standard English.
- Ability to stand for extended periods of time
- Ability to frequently bend, climb, squat, crawl, reach, and twist.
- Ability to frequently lift 20–75 lbs. and occasionally lift up to 100 lbs.
- Ability to work overtime as needed.
- Basic proficiency in Microsoft Office (e.g., data entry, creating Word documents).
- Legal authorization to work in the U.S. is required. Visa sponsorship is not available for this position.
- Relocation assistance is not available for this opportunity.

PREFERRED REQUIREMENTS

- Final Finish experience.
- Minimum of 3 years of pressroom experience.
- Mold department training, including mold change and setup experience.
- Experience with PCI setups.
- Bag building experience.
- Demonstrated leadership experience.
