

Junior Accounts Payable Accountant - TABS

Your tasks

You will be part of the TABS team and responsible for the following activities:

- Manage **Accounts Payable** processes: from invoices to payments, reconciliations, and reporting.
- Ensure all supporting documents meet **legal and internal standards**.
- Be the go-to person for resolving inquiries and payment-related questions.
- Collaborate with business partners to solve discrepancies and ensure alignment.
- Handle **payment processing** and contribute to monthly/periodical closings.
- Perform **reconciliations** and review BP statements/dunning letters.
- Track and report on **KPIs** to support performance transparency.
- Act as a liaison between internal departments and external partners.
- Understand company policies and contribute to achieving **quality targets**.
- Propose and implement **process improvements**, with a strong focus on **digitalization and automation**.
- Participate in **internal and external audits**.
- Ensure timely and accurate delivery in line with **Service Level Agreements**.
