

Global Category Lead ContiTech Information Technology - CTBC

工作职责

As Global Category Lead - Information Technology (m/f/d), you will be responsible for the worldwide strategic procurement of IT solutions and services across all ContiTech Business Areas. You will report directly and functionally to the Head of Global Cluster Infrastructure and play a key role in shaping and implementing the global IT purchasing strategy.

Your Responsibilities:

Leadership & Management

- Technical and functional leadership of a global team in line with Continental's Leadership Principles
- Definition and tracking of objectives and performance targets
- Support and development of team members to ensure motivation and success
- Guidance in complex cases to ensure team effectiveness

Stakeholder Partnership

- Act as a key interface between internal and external stakeholders (e.g. Engineering, Plants, Suppliers)
- Translate business and purchasing strategies into actionable plans
- Train and support stakeholders in using the right tools, methods, and processes

Category Management

- Manage an annual spend of category IT
- Develop and implement supplier strategies in alignment with stakeholders and corporate guidelines
- Analyze data and manage category-related KPIs to track progress
- Ensure stakeholder satisfaction through transparent communication

Supplier Relationship Management

- Conduct global supplier market analysis and benchmarking
- Maintain strategic supplier relationships and lead strategic supplier meetings
- Drive supplier evaluations and development programs

关于我们

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2021, Continental generated sales of €33.8 billion and currently employs more than 190,000 people in 58 countries and markets. On October 8, 2021, the company celebrated its 150th anniversary.

The ContiTech group sector develops and manufactures, for example, cross-material, environmentally friendly and intelligent products and systems for the automotive industry, railway engineering, mining, agriculture and other key industries. Guided by the vision of "smart and sustainable solutions beyond rubber," the group sector draws on its long-standing knowledge of the industry and materials to open up new business opportunities by combining various materials with electronic components and individual services.
