

Intern - Project Lifecycle Support – Complaint Connect, Year-Round

Tvoji zadaci

HOW YOU WILL MAKE AN IMPACT

We are seeking a proactive, self-starting intern eager to gain hands-on experience across the full project lifecycle. This role supports the global Complaint Connect project. The role offers exposure to both business and IT functions.

What You'll Do:

- Collaborate with project leads from business and IT, and engage with stakeholders across internal teams and external vendors.
- Assist in analyzing and documenting data flows, field mappings, and integration logic, including validating JSON payloads and database records using SQL.
- Help create and maintain technical and functional documentation, including mapping documents, test plans, and process flows.
- Participate in manual testing and, if technically proficient, contribute to automated test development.
- Assist with Business Acceptance Testing by prioritizing reported bugs, coordinating with IT teams, and managing retesting cycles.

Why This Role Is Unique:

- You'll be involved in a major, long-term initiative with a lifecycle extending over a year.
- You'll gain exposure to real-world project management, cross-functional collaboration, and enterprise-level system implementation.

Ideal Candidate:

- A self-motivated individual with strong analytical and communication skills.
- Comfortable working in a dynamic, fast-paced environment.
- Interested in technology, business processes, and project delivery.
