

Rework Workoff Coordinator

Tus actividades

YOUR TASKS

Develop and execute actions to support the business plan targets by focusing on improving and optimizing rework/work off flow, reduction of plant rework/work off generation, inventory accuracy, optimization of recipes by PI, ensuring maximum consumption in mixing, and reduction of scrap one in the plant.

Develop and execute actions to support the business plan targets by focusing on improving and optimizing rework/work off flow, reduction of plant rework/work off generation, inventory accuracy, optimization of recipes by PI, ensuring maximum consumption in mixing, and reduction of scrap one in the plant.

WHAT YOU BRING TO THE ROLE

- Ensure global compliance with process standards (SBS booking, EWM, MMS) through disciplined implementation, monitoring, and control
- Drive data analysis, validation of standards, and continuous process optimization to balance stability, conformity, and output
- Lead structured problem solving, including root cause analysis, lessons learned, and timely implementation of corrective actions
- Partner with Product Industrialization to manage mixing recipes and reduce scrap, rework, and overall plant scrap costs
- Contribute to PE strategy and lead plant and global continuous improvement projects using structured project management methodologies
- Embed and lead the 6-4-1 concept, promoting teamwork, efficient task distribution, and optimized rework/workoff consumption
- Develop, coach, and manage assigned teams, including training, performance management, policy enforcement, and retention initiatives in collaboration with HR
- Drive quality discipline by ensuring standards are understood, followed, and reinforced through ownership, accountability, and learning
- Support budget planning, investment prioritization, and execution while understanding and influencing key plant performance metrics
- Champion ESH excellence by ensuring training, inspections, hazard response, compliance with safety policies, and role-modeling safe behaviors

NOTE: May not be inclusive of all work required and may be updated as needed.
