

Industrial Engineer

Your tasks

YOUR TASKS

As an Industrial Engineer you will optimize production efficiency by analyzing time studies, work processes, and key performance data to identify and implement process improvements in collaboration with production and engineering teams.

HOW YOU WILL MAKE AN IMPACT

- Conduct time studies, maintain standards, and analyze loss data (OEE/TEEP).
- Support material flow, lead time, and job evaluation studies.
- Benchmark key performance figures against other plants.
- Collect and prepare data for capacity planning, debottlenecking, and strategic projects.
- Identify process improvement opportunities and calculate potential savings.
- Facilitate value stream exercises, improvement projects, and workshops.
- Define machine and process parameters with production and engineering.
- Plan and implement improvement projects while ensuring CBS tools are applied.
- Conduct shop-floor improvement workshops and support SOP development.
- Actively participate in business team meetings, performance goal setting, and standard implementation.
- Follow all plant, ESH, CBS, quality, and department processes and procedures
- Other duties as assigned

NOTE: May not be inclusive of all work required and may be updated as needed.

THE ENVIRONMENT

- Safety is our highest priority and safety procedures / guidelines must be always adhered to. This includes safety wear such as safety glasses, hearing protection, safety glasses as needed
- The job is within a climate-controlled environment where you will be exposed to temperature swings (hot/cold), forklift and pedestrian traffic, and noise

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 800-821-2727. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
