

Internal Auditor ContiTech CTBC

Your tasks

As part of our international and interdisciplinary Audit Team, you will play a crucial role in ensuring the integrity and efficiency of our global operations. As an internal Auditor, you will independently execute audits across various business areas and processes within ContiTech entities worldwide.

These will be your tasks and responsibilities in detail:

- Analyze KPIs and data, conduct walkthroughs and interviews across departments such as accounting, finance, logistics, production, sales, purchasing, IT, and HR.
- Identify risks process optimizations and ensure the effectiveness of internal control systems and compliance with internal standards / policies and regulatory requirements.
- Compile audit report and present the results to the management
- Propose measures to address identified risks and provide actionable advice to the business.
- Advise management on the development and enhancement of internal processes and structures. Monitor the implementation of recommendations.

Your profile

- Academic degree in business administration, IT, law, engineering, or comparable qualification
- Several years of relevant professional experience, such as internal audit or operational business
- Knowledge of finance and SAP expertise would be an advantage
- Enhanced analytical skills and professional judgement
- Experienced in MS Office applications
- Business-fluent English language skills (written and spoken), good German language skills preferred
- Self-confident appearance and professional presentation skills
- Advanced team and communication skills
- Willingness for international business trips (40-60%)

Applications from severely handicapped people are welcome.

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2021, Continental generated sales of €33.8 billion and currently employs more than 190,000 people in 58 countries and markets. On October 8, 2021, the company celebrated its 150th anniversary.

The ContiTech group sector develops and manufactures, for example, cross-material, environmentally friendly and intelligent products and systems for the automotive industry, railway engineering, mining, agriculture and other key industries. Guided by the vision of "smart and sustainable solutions beyond rubber," the group sector draws on its long-standing knowledge of the industry and materials to open up new business opportunities by combining various materials with electronic components and individual services.
