HOW YOU WILL MAKE AN IMPACT

We are looking for a proactive, detail-oriented individual to join our team as a Controlling Intern. In this role, you will play a key part in supporting various operations by preparing essential reports and managing critical data for our market customers. This internship provides a unique opportunity to gain hands-on experience with Continental Controlling processes and procedures.

Key Responsibilities:

- **Prepare Payment Files for Specific Channels:** Calculate attainments and create payment files for designated channels.
- **Issue Credit Notes for Small Customers:** Process and issue credit notes for smaller accounts, ensuring accuracy and timely resolution.
- **Maintain Marketing Fund Report:** Regularly update and refresh the Monthly Transaction Files (MTF) reports, ensuring the accuracy of data and communication with KAMs across regions.
- **File Automation Project:** Contribute to the automation of file processing, starting with small customer accounts, and improve integration and efficiency.
- **Create and Manage Reporting Dashboards:** Design, develop, and maintain visual reports displaying results, including accruals, balances, MTF data, and new insights.

If you are passionate about data management, process automation, and keen to learn within a dynamic team, we would love to hear from you!
