

Mandatory Internship - Marketing Communication International / Two-Wheel Tires (Bicycle and Motorcycle) - REF94624P

Vos activités

Childhood dreams can come true at Continental: become a team member of our bicycle and motorcycle Communications team, which is driven by passion and enthusiasm for the two-wheeler sector. Experience the world of Continental, one of the largest tire manufacturers in our new Headquarters in Hannover, Germany.

We are looking for an intern (mandatory internship) who can support our Marketing Communications team, ideally for **6 months, starting in April 2026**.

Tasks including:

Support the Marketing Communications teams in brand and product communication, digital marketing, event planning and sponsoring. This includes:

- Participation in layout and text development for all communication-related measures.
- Support in the creation of website content and its implementation.
- Support in the operational tasks of tire sampling for sponsored partners and media channels.
- Support in the preparation of global and regional events.
- Support in marketing communication administration tasks.

Votre profil

- Actively studying communication science, business administration or within a similar area
- First practical experience in the management of agencies
- Practical knowledge of MS Office programs (particularly Word, Excel and PowerPoint)
- Fluent German and English, both spoken and written
- A passion for communication
- Team skills, openness, commitment, creativity, communication, customer services, and organizational abilities

Please attach your **current certificate of enrollment** and also your **current transcripts of records** and an extract of **certificate for a mandatory internship**. Those documents are mandatory for processing your application.

If required, **please submit your valid residence permit** as well as your **work permit** including the additional sheet.

Applications from severely handicapped people are welcome.

A propos de nous

Continental is a leading tire manufacturer and industry specialist. Founded in 1871, the company generated sales of €19.7 billion in 2025 and currently employs around 78,000 people in 54 countries and markets.

Tire solutions from the Tires group sector make mobility safer, smarter, and more sustainable. Its premium portfolio encompasses car, truck, bus, two-wheel, and specialty tires as well as smart solutions and services for fleets and tire retailers. Continental has been delivering top performance for more than 150 years and is one of the world's largest tire manufacturers. In fiscal 2024, the Tires group sector generated sales of 13.9 billion euros. Continental's tire division employs more than 57,000 people worldwide and has 20 production and 16 development sites.
