

NPM Purchasing EMEA - Senior Buyer as Category Manager Infrastructure - CTBC

Descrição da função

The **Senior Buyer / Category Manager** is responsible for the **strategic global sourcing** of a defined material or service category. The role drives the development and implementation of the **Category Strategy** in close alignment with global and regional stakeholders. The position delivers measurable value to all Business Areas through **cost optimization, supplier development, risk mitigation, process improvements**, and securing **global availability** of materials and services

Key Responsibilities

- Develop, implement, and continuously improve the **global category strategy**, supported by data analytics, market intelligence, and demand forecasting.
- Lead and conduct **international negotiations**, including supplier selection, contract lifecycle management, TCO evaluations, and compliance documentation
- Manage the **global supplier portfolio**, including supplier evaluation, development plans, benchmark analyses, and strategic supplier meetings.
- Oversee **Source-to-Contract** and **Purchase-to-Pay** processes for purchases above €25,000, ensuring transparency, compliance, and optimized cost structures.
- Support digitization initiatives (e sourcing, analytics, procurement tools) to improve efficiency and decision-making.
- Collaborate closely with engineering, plants, quality, SCM, finance, IT, and global purchasing teams across all regions

Requisitos

University Degree or other equivalent degree and advanced English skills

Minimum 3-5 years of relevant professional experience in Purchasing (or similar functions) in an international environment
