

Insurance Manager (m/f/diverse) - REF94941H - ContiTech

Tvoji zadaci

To strengthen our Transformation & Business Service division, we are looking for an Insurance Manager (m/f/diverse) who will oversee our international insurance portfolio and act as the central point of contact for external insurance providers.

Your responsibilities:

- Manage the company's global insurance portfolio, including Property, Liability, Transport, Cyber, and additional specialty insurance lines
- Serve as the central contact and strategic interface for external insurance providers, brokers, and relevant partners
- Develop, optimize, and steer global insurance programs in close collaboration with internal and external stakeholders
- Analyze and assess corporate risks and define suitable risk transfer strategies
- Lead international tender processes and negotiations with insurers and brokers to ensure optimal coverage and cost efficiency
- Coordinate and support claims management in partnership with internal departments and external service providers
- Ensure compliance with local regulatory requirements across international markets
- Prepare analyses, reports, and decision proposals for senior management

Tvoj profil

- Successfully completed studies in economics, law, insurance management, or a comparable qualification
- Several years of professional experience in insurance management, ideally in an international industrial company, with an insurance broker, or an insurance provider
- Strong knowledge in structuring and managing international insurance programs
- Experience in collaborating with global insurers and brokers
- Strong analytical skills and negotiation abilities
- Excellent communication skills and the ability to manage stakeholders in an international environment
- Fluency in German and English, both in written and spoken form
- A structured, independent, and solution oriented working style

Applications from severely handicapped people are welcome.
