HOW YOU WILL MAKE AN IMPACT

The U.S. IP Group is seeking a Summer Legal Intern for a 10-12 week internship located in the Cleveland-Akron, Ohio region. This opportunity is ideal for a law student who has completed their first year (1L) and possesses an undergraduate degree in engineering or a scientific discipline. The position offers a hybrid work model with strong remote flexibility.

Key Responsibilities

- Conduct legal research on U.S. and international IP issues.
- Summarize case law, statutes, regulations, and administrative decisions.
- Analyze engineering and scientific materials.
- Conduct prior art searches for patentability, validity, and infringement evaluations.
- Assist attorneys with preparation and review of patent related filings.
- Draft claim charts, invention summaries, and evaluations of invention disclosures.
- Support attorneys with Office Action response preparation under supervision.
- Prepare written memoranda, reports, and research summaries.
- Support patent portfolio management, including file reviews and organization of documentation.
- Collaborate with engineers, R&D teams, and business personnel to gather technical information.

What You Can Expect

- Direct exposure to in house patent practice.
- Mentorship from experienced Continental patent attorneys.
- Engagement with inventors and technical teams working on real world technologies.
- Meaningful project work that supports Continental's global IP strategy.

Reikalavimai

WHAT YOU BRING TO THE ROLE
