

# Manager HR Technology - CTBC

## Descrição da função

We are looking for a data driven professional who is passionate about digitalization, continuous improvement and HR technology governance. In this role, you will strengthen our HR Technology Governance team by managing HR systems, driving analytics and reporting and supporting the development & improvement of our global HR technology landscape.

## Responsibilities:

- Acting as **business platform owner** for selected HR technologies including governance, enhancements, stakeholder alignment and vendor management
- **Design, development and maintenance of dashboards and reports** as part of our HR data and analytics framework, using Power BI and other reporting tools
- **Analysis of HR data and system performance**, identifying automation opportunities and translating insights into actionable recommendations
- Supporting **data analytics operations**, maintaining data pipelines, troubleshooting, and aligning with HR IT and service partners
- **Execution of digitalization initiatives** and enhancement of existing HR technology solutions, including issue resolution and continuous improvement
- Leading or contributing to **HR technology and process projects**, including change management, documentation, testing and training for HR stakeholders
- **Development, optimization, and documentation of HR processes** in collaboration with HR System Operations, Service Governance Teams, HR IT and CoEs
- **Coordination and communication with internal and external stakeholders**, such as HR IT, Cybersecurity, Data Protection, CoEs, Works Council and external vendors

## Requisitos

- Academic degree in Human Resource Management/Information Technology or equivalent qualification through vocational training and extensive professional experience
- Several years of HR or related experience, cross-organizational move or cross-functional move, Process Automation experience
- Ideally international experience, at least international mindset and openness for cross-cultural teamwork
- Project membership within HR projects with an international focus (e.g. system rollout)
- Affinity for HR systems and processes; experience with UKG & Travel
