

HR Operations Specialist - SF Employee Central - CTBC

Tus actividades

Join our ambitious HR System Operations Team at ContiTech! We are looking for a dedicated HR System Operations Specialist with a focus on Employee Central to support our data management and quality. This role is part of ContiTech's Service Governance and Systems department and collaborates with all our locations across the world.

As an HR System Operations Specialist with a focus on Employee Central you will:

- Manage SAP SuccessFactors Employee Central Incidents: review and resolve incidents opened by internal customers
- Handle User Authorization on our Success Factors Platform: consult on authorization concept & roles, grant & delete permissions, support internal audit processes
- Offer guidance to internal stakeholders when it comes to systems and process related to master data
- Provide reports on request and perform data uploads
- Review release notes and participate in webinars and calls, as well as test new releases and update global training materials accordingly
- Assess and create change requests based on incidents and consult in the different implementation phases
- Create and maintain test catalogues and perform tool testing during daily operations and within project and change management activities
- Facilitate knowledge sharing and collaboration across our global teams

Tu perfil

- University degree in a relevant field
- Proficiency in Microsoft Office 365 (Excel and PowerPoint knowledge is mandatory)
- Self-driven, disciplined, and eager to learn in an agile, fast-paced environment
- Excellent communication skills in English
- Experience with SAP SuccessFactors (EC) is a plus
- Ability to work in a hybrid environment and collaborate with global teams

Acerca de nosotros

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, traffic, and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

Guided by the vision of being the customer's first choice for material-driven solutions, the ContiTech group sector focuses on development competence and material expertise for products and systems made of rubber, plastics, metal, and fabrics. These can also be equipped with electronic components in order to optimize them functionally for individual services. ContiTech's industrial growth areas are primarily in the areas of energy, agriculture, construction, and surfaces. In addition, ContiTech serves the automotive and transportation industries as well as rail transport.
