

Financial Controller - CTBC

Responsabilități

Financial Controller responsible for providing controlling and financial planning services for ContiTech Business Center Timișoara (CTBC), including the Global Business Services & the Business Hub

The role is dedicated to CTBC and focuses on cost allocations, SLA management, forecasting & budgeting, cost analysis, internal invoicing, KPI reporting and financial governance, with close collaboration with Plant Controlling and internal stakeholders.

Job Description & Responsibilities

1. Cost allocations, SLA & stakeholder management

- Calculate and manage “allocation out” values for services provided by CTBC to receiving partners
- Communicate Forecast & Budget values to receiving partners
- Perform reconciliation in the group financial reporting systems (i.e. FIRE) with receiving partners (Intercompany Deferred Charges)
- Support the annual update of Service Description / Service Level Agreements for CTBC services
- Act as main interface with internal stakeholders for clarifications related to costs, allocations and services

2. Forecast, Budget & financial planning for CTBC

- Prepare Forecast & Budget for CTBC cost centers, in coordination with Location Lead, HR and Department Heads
- Perform cost evolution analyses (period expenses, trends, deviations vs. plan)
- Ensure cost monitoring and ad hoc reporting & analysis for the CTBC structure

3. Invoicing / sales orders (CTBC scope)

- Coordinate the invoicing process for CTBC services, including:
 - invoice documentation and annexes
 - verification of invoice postings performed by GBS Accounts Receivable
- Ensure accuracy and completeness of billing data / sales orders related to CTBC services

4. Provisions & month closing - CTBC scope

- Calculating provisions for CTBC costs (salaries, allocations, non periodic costs)
- Prepare analyses and inputs for month closing related to CTBC
- Prepare financial reports for CTBC in line with Group requirements

5. KPI & financial governance for CTBC

Despre noi

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2021, Continental generated sales of €33.8 billion and currently employs more than 190,000 people in 58 countries and markets. On October 8, 2021, the company celebrated its 150th anniversary.

The ContiTech group sector develops and manufactures, for example, cross-material, environmentally friendly and intelligent products and systems for the automotive industry, railway engineering, mining, agriculture and other key industries. Guided by the vision of “smart and sustainable solutions beyond rubber,” the group sector draws on its long-standing knowledge of the industry and materials to open up new business opportunities by combining various materials with electronic components and individual services.
