

Tire Development Engineer

Your tasks

HOW YOU WILL MAKE AN IMPACT

The Product Development Engineer will work closely with the product management team to develop and industrialize new products as well as maintain and improve existing products.

Primary responsibilities include:

- Benchmark/analyze competitor tires
- Collect static/dynamic data on experimental and competitor tires through test lab
- Coordinate track testing and evaluation of products
- Investigate new materials/technologies to improve product performance
- Work with manufacturing to find ways to reduce costs, complexity, and scrap
- Attend race events to interact with customers, collect data, and obtain feedback for further development

CANDIDATE ATTRIBUTES

- Must exhibit excellent organizational skills and be detail oriented
- Ability to work independently and with cross-functional teams
- Effective oral, interpersonal, and written communication skills.
- Self-directed with creative problem-solving ability
- Ability to train and coach others from technical expertise
- Understanding of advanced analysis tools and methods to solve complex technical problems

Your profile

WHAT YOU BRING TO THE ROLE

- Bachelor's Degree in Engineering or related technical field
- Ability to travel up to 15%
- CAD software experience (AutoCAD, Inventor, NX, Solidworks)
- Familiarity with Matlab, VBA, PowerBI and Tableau
- Structured problem solving and risk analysis experience

ADDITIONAL WAYS TO STAND OUT

- Tire Development experience
- FSAE experience
- Motorsport experience

EEO-Statement:

EEO / Disabled / Protected Veteran Employer. Continental offers equal employment opportunities to all qualified individuals, without regard to unlawful consideration to race, color, sex, sexual orientation, gender identity, age, religion, national origin, disability, veteran status, or any other status protected by applicable law. In addition, as a federal contractor, Continental complies with government regulations, including affirmative action responsibilities for qualified individuals with a disability and protected veterans, where they apply. To be considered, you must apply for a specific position for which Continental has a current posted job opening. Qualifying applications will be considered only for the specific opening(s) to which you apply. If you would like to be considered for additional or future job openings, we encourage you to reapply for other opportunities as they become available. Further, Continental provides reasonable accommodations to qualified individuals with a disability. If you need assistance in the application process, please reply to Careers@conti-na.com or contact US Recruiting at 800-821-2727. This telephone line and email address are reserved solely for job seekers with disabilities requesting accessibility assistance or an accommodation in the job application process. Please do not call about the status of your job application, if you do not require accessibility assistance or an accommodation. Messages left for other purposes, such as following up on an application or non-disability related technical issues, will not receive a call back.
