

Senior IT Consultant - Global Trade & Customs Application - CTBC

Your tasks

Continental's digital capabilities are growing every day. Our SAP Competence Center is the digital backbone of our company's business – and we want you to join us!

Using primarily an SAP platform, the Competence Center ensures Continental's Sales, Logistics and Finance organizations stay on the leading edge of all things digital. From managing service requests to developing the latest solutions and systems, we are the tech foundation of these organizations.

If you love to learn, grow and be on the forefront of creating modern technology tools, Continental is the perfect match for you.

We are seeking a **Senior IT Consultant - Global Trade & Customs Application** to join our team in Timisoara.Romania In this role, you will be responsible for implementing and optimizing SAP Global Trade Services solutions for our clients, ensuring compliance with international trade regulations and improving their global trade processes.

- Design, configure, and implement SAP GTS solutions tailored to client needs
- Provide expert guidance on customs management and export control processes
- Implementation tasks in the context of project, adjustments, and error corrections in the GTS System
- Collaborate with cross-functional teams to integrate SAP GTS with other SAP modules and external systems
- Assume responsibility for maintenance and enhancement of GTS application scenarios
- Conduct system testing, user training, and provide post-implementation support
- Stay up-to-date with the latest developments in international trade regulations and SAP GTS functionalities

- Take care of in-house customs applications

Your profile

- Bachelor's degree in Computer Science, Information Systems, or a related field
- Several years of experience as an SAP GTS consultant
- In-depth knowledge of SAP Global Trade Services (GTS) and its integration with SAP S/4HANA
- Strong understanding of international trade processes, customs management, and export control regulations
- Excellent problem-solving skills and ability to translate complex requirements into effective solutions

About us

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machines, traffic and transportation. In 2023, Continental generated sales of €41.4 billion and currently employs around 200,000 people in 56 countries and markets.

Guided by the vision of being the customer's first choice for material-driven solutions, the ContiTech group sector focuses on development competence and material expertise for products and systems made of rubber, plastics, metal, and fabrics. These can also be equipped with electronic components in order to optimize them functionally for individual services. ContiTech's industrial growth areas are primarily in the areas of energy, agriculture, construction, and surfaces. In addition, ContiTech serves the automotive and transportation industries as well as rail transport.
