About us

Continental Tyres is a leading manufacturer of tires, recognized for its commitment to safety, performance, and innovation. Founded in 1871, Continental has grown into one of the world's largest tire manufacturers, operating in over 56 countries. The company specializes in a wide range of tire solutions, including car, truck, bus, and specialty tires, as well as smart solutions for fleets and retailers. Continental is known for its rigorous testing standards and has been at the forefront of tire technology, introducing innovations like the first patterned tire tread. The company aims to make mobility cleaner, safer, and more intelligent, with a focus on sustainability and environmental responsibility
