Vos activités

As NPM Purchasing EMEA Category Buyer - **Infrastructure** (m/f/diverse), you take ownership of global purchasing activities across your category, with a **strong focus on intralogistics, CAPEX projects** (e.g. plant-related equipment and infrastructure), as well as related services. You drive sustainable value creation through best practices and close collaboration with internal stakeholders and key business partners.

Your Responsibilities:

- End-to-end responsibility for **global category purchasing**, including supplier selection, negotiations, and contracting
- Preparation, execution, and finalization of **international negotiations** with a strong focus on value creation (e.g. TCO)
- Drive **cost optimization**, bundling effects, make-or-buy decisions, and value engineering initiatives
- Manage **supplier performance, claims, and escalations** with strategic relevance
- Own the **contract lifecycle** and ensure compliance with internal policies and guidelines
- Translate category strategies into **clear actions, KPIs, and measurable results**
- Advise and collaborate closely with internal stakeholders to ensure transparency and satisfaction
- Use **data analytics and digital procurement tools** to improve efficiency and decision-making
- Lead or contribute to **cross-functional and global purchasing projects**

Votre profil

- University degree (Bachelor/Master/Diploma) or comparable qualification
- **Several years of relevant professional experience** in purchasing, supply chain, or a similar function
- Experience in **CAPEX procurement**, project-based sourcing, or technical purchasing is a strong advantage
- Strong analytical, negotiation, and stakeholder management skills
- Experience with **SAP (R/3 or S/4) and MS Office preferred**
- Structured, independent, and results-oriented working style
- Excellent English and German skills (written and verbal); additional language skills are an advantage

Applications from severely handicapped people are welcome.
