

NPM Purchasing EMEA Category Buyer - Infrastructure (m/f/diverse) ContiTech - REF96175U

Tus tareas

As NPM Purchasing EMEA Category Buyer - **Infrastructure** (m/f/diverse), you take ownership of global purchasing activities across your category, with a **strong focus on intralogistics as well as plant-related equipment and services**, while driving sustainable value creation through best practices and close collaboration with internal stakeholders and key business partners.

Your Responsibilities:

- End-to-end responsibility for **global category purchasing**, including supplier selection, negotiations, and contracting
- Preparation, execution, and finalization of **international negotiations** with a strong focus on value creation (e.g. TCO)
- Drive **cost optimization**, bundling effects, make-or-buy decisions, and value engineering initiatives
- Manage **supplier performance, claims, and escalations** with strategic relevance
- Own the **contract lifecycle** and ensure compliance with internal policies and guidelines
- Translate category strategies into **clear actions, KPIs, and measurable results**
- Advise and collaborate closely with internal stakeholders to ensure transparency and satisfaction
- Use **data analytics and digital procurement tools** to improve efficiency and decision-making
- Lead or contribute to **cross-functional and global purchasing projects**

Tu perfil

- University degree (Bachelor/Master/Diploma) or comparable qualification
- **Several years of relevant professional experience** in purchasing, supply chain, or a similar function
- Strong analytical, negotiation, and stakeholder management skills
- Strong MS Office skills are mandatory; experience with SAP (R/3 or S/4) is preferred
- Structured, independent, and results-oriented working style
- Excellent English and German skills (written and verbal); additional language skills are an advantage

Applications from severely handicapped people are welcome.
