

Business Graduate (UK)

Descrição da função

Business Graduate Programme

Are you curious about how businesses operate, eager to apply your **digital skills**, internationally minded, and ready to make a meaningful impact within a collaborative team? Are you looking to start your long-term career in a global organisation? If so, this programme is for you.

Our 18-month **Business Graduate Programme** offers a structured introduction to key business functions across both local and global teams. You'll work on real projects, gain international experience, and build the foundations for a long-term career within our organisation.

What You'll Do

Phase 1: Home Market - Build Your Foundation

- Immerse yourself in Continental's culture and develop a strong understanding of our core business operations in your home market
- Take ownership of meaningful projects that contribute to business performance, strategy, and digital transformation
- Build strong relationships with key stakeholders, cross-functional teams, and external partners—forming your professional network
- Apply your digital and analytical skills to solve real business challenges and deliver measurable outcomes

Phase 2: International Market Stay (6 months) - Expand Your Horizons

- Continue developing your skills within a new team and functional area, either at our headquarters in Hanover or in another international EMEA location (e.g. eCommerce, Digital Solutions, Business Intelligence, Pricing, or other core business functions)
- Gain exposure to global operations by working with teams across different markets and cultures
- Contribute to cross-functional projects that support both local and central business objectives
- Play an active role in a high-impact Graduate Pool project
- Build a global, commercially-minded perspective that will accelerate your career

Phase 3: HQ Return - Shape Your Future

- Return to your home market and begin transitioning into your future permanent position
- Leverage your international experience, network, and business insight to make an immediate impact
- Continue developing your career within a function aligned to your strengths and business needs
