

Head of ContiTech Internal Audit (m/w/d) - REF96336Q

Your tasks

The Head of ContiTech Internal Audit is responsible for leading the organization's internal audit function, ensuring the effectiveness of risk management, internal controls, and governance processes. This role serves as a strategic advisor to senior management, providing independent assurance and insights that add value and improve organizational operations.

Key Responsibilities

- Develop and execute a risk-based internal audit strategy aligned with organizational objectives.
- Lead the internal audit team, fostering a culture of integrity, accountability, and continuous improvement.
- Prepare and implement an annual audit plan based on risk assessment.
- Oversee the execution of audits across financial, operational, IT, and compliance areas.
- Ensure audit reports provide actionable recommendations and follow-up on remediation.
- Evaluate the effectiveness of internal controls and risk management frameworks.
- Advise the Managing Directors and the Executive Management Committee on emerging risks and regulatory requirements.
- Provide regular updates on audit findings, risk exposures, and control improvements.
- Drive continuous improvement in audit methodologies and tools.

Your profile

- Education: Master's degree in Accounting, Finance, Business Administration, or related field;
- Certifications: CIA (Certified Internal Auditor), CPA, or equivalent professional certification.
- Experience: Minimum 10-15 years in internal audit, risk management, or related fields, with at least 5 years in a leadership role.

Hard Skills

- Deep knowledge of internal audit standards (IIA), risk management, and internal control frameworks (COSO).
- Strong understanding of financial reporting, regulatory compliance, and IT systems.

Soft Skills

- Strategic Thinking: Ability to align audit activities with organizational goals.
