

# Talent & Culture Development Manager

## Jūsų užduotys

### Role Purpose

Drive business performance by strengthening leadership capability, employee experience, and a high-ownership culture. Design and deliver integrated talent, learning, and culture programs that improve retention, productivity, and readiness for growth and transformation.

### Key Responsibilities

Develop and Guide through performance management frameworks (for all target groups: new hires, interns, contractual hires, low performers) including TM flow, including goal-setting processes, evaluation methods, and feedback mechanisms, ensuring alignment with tires

Coordinate and oversee the TM Flow, including setting objectives, conducting reviews & check-ins, and facilitating calibration sessions to ensure consistency and fairness

Identify development needs through performance data analysis and collaborate with managers to implement training programs, mentorship, and performance improvement plans (PIPs) for underperforming employees

Collect and analyze performance data to identify trends, gaps, and areas for improvement. Prepare comprehensive reports to inform strategic decision-making

Work closely with HR Business Partners, department heads, and team leaders to ensure that performance management processes are effectively communicated and integrated across the organization

Continuously review and enhance performance management processes, incorporating feedback from stakeholders and staying informed about best practices to ensure effectiveness and efficiency

- Leadership & Manager Development: Design manager essentials (coaching, feedback, performance, engagement), leadership curricula, and practical toolkits; enable leaders to execute consistently.

- Talent Development & Mobility: Support succession planning, HiPo identification, career frameworks, and internal mobility; build critical capability pathways for priority roles.

- Learning Strategy & Delivery: Build annual learning plan and academies; curate blended learning (digital + cohort + on-the-job); ensure transfer to performance through reinforcement.
