

# International Graduate Program Marketing & Sales

## Your tasks

Are you passionate about Marketing & Sales and ready to grow in an international environment? We are looking for graduates with a strong digital and commercial mindset who want to make an impact and build a long-term career in a global organization.

Starting from September, our 18-month Marketing & Sales Graduate Program offers a structured introduction to Marketing & Sales across local and global teams. You will work on real projects, spend six months abroad, and prepare for a long-term role within our organization.

## What You'll Do:

### Phase 1: Home market Milan (8 months) - Build Your Foundation

- Immerse yourself in Continental's culture and in our Marketing & Sales operations in your home market
- Own meaningful projects that directly contribute to our market strategy and digital initiatives
- Build authentic relationships with key stakeholders, internal teams, and external partners who'll become your professional network
- Apply your digital expertise to solve real business challenges and drive measurable results

### Phase 2: International Market Stay Hannover (6 months) - Expand Your Horizons

- Continue your skills development in a new team and functional area, either at the headquarters in Hanover or in another international EMEA market (e.g., Marketing, eCommerce, Digital Solutions, Business Intelligence, Pricing in central or local functions)
- Expand your understanding of global market operations by collaborating with teams across different regions
- Engage in cross functional initiatives that support both local and central business objectives
- Contribute to a high impact Graduate Pool project
- Develop a global and cross-functional perspective that sets you apart in your career

### Phase 3: Home Market Milan (4 Months) - Shape Your Future

- Return to your home market and start working towards your future permanent position
- Leverage everything you've learned to hit the ground running and make an immediate impact

## Your profile

- Bachelor's or Master's degree in business studies, economics or a
