关于我们

Continental develops pioneering technologies and services for sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent and affordable solutions for vehicles, machines, traffic and transportation. In 2022, Continental generated sales of €39.4 billion and currently employs around 200,000 people in 57 countries and markets.

ContiTrade is the strategic retail arm of the Continental Tire business in Europe. Its business purpose is to facilitate access to the respective markets & leverage Trade opportunities in Europe, the Middle East & Africa (EMEA). The scope of the ContiTrade business ranges from selling tires to complete fleet management via tires, tire services, and vehicle services, through approximately 530 equity stores and 5,000 franchise and service partners. The business scope includes sales to end consumers, business and fleet customers, wholesale and as a service partner to Continental, as well as other major tire brands. This is done physically in branches and on the road, as well as through e-commerce platforms.
