

Global Tax Risk Manager (m/f/d) - REF96761E

Your tasks

- Implementation and enhancement of our global tax risk management framework
- Identify, assess, and monitor tax-related risks globally, together with our local teams
- Lead tax reviews globally and ensure global standards in line with our tax risk management framework
- Be responsible for the development and implementation of internal tax risk control measures and mitigation strategies
- Stay current with changes in tax legislation globally in Continental Group's key jurisdictions and assess the potential impact on our global tax risk position
- As part of central tax team, support the local Continental teams preparing appropriate documentation for internal and external audits
- Support our International Tax Team as well as the Tax Compliance Team in the global risk reporting process
- Represent Continental's Tax Team in cross functional, group wide projects involving tax implications and risk considerations
- Be the "Tax Risk Management" face to Continental Group Senior Management and other stakeholders
- Coordination and continuous improvement of the GTC reporting process within the International Tax department; regular consultation with Tax Reporting and Accounting Principles department (TRAP) to optimize the coordination of tasks
- Determination of review priorities with the aim of improving the reporting quality and enhance the reliability of tax-related forecasts
- Develop tax efficient processes (e.g. residency certificates) and contribute to strategic tax planning activities; Process management for the yearly application of certificates of residence
- Preparation of and presentation at internal workshops

About us

Tire solutions from the Tires business area make mobility safer, smarter, and more sustainable. The premium portfolio includes passenger car, truck, bus, two-wheel, and specialty tires, as well as intelligent solutions and services for fleets and tire dealers. Continental has stood for top performance for more than 150 years and is one of the largest tire manufacturers in the world.

Continental develops and manufactures sustainable, safe, and comfortable solutions as a leading tire manufacturer and industrial specialist—serving, among others, automotive manufacturers as well as industrial and end customers worldwide. Founded in 1871, the company generated sales of €19.7 billion in 2025 and currently employs around 78,000 people across 54 countries and markets.
