

Endpoint Engineer

Vaše náplň práce

As an **Endpoint Engineer**, you are part of the Global Client Team supporting a stable and safe endpoint client platform for Continental worldwide.

Responsibilities:

- Support the smooth rollout of the new client image by overseeing all testing and deployment scenarios.
- Define test protocols, test scenarios, and documentations.
- Ensure all potential client hardware driver problems such as performance degradation, reliability, and security issues, are addressed proactively.
- Assess the impact of changes to the client environment to minimize risk and impact upon rollout. Perform quality testing before any tools/image/product releases and provide test reports/documentation in a timely manner.
- Provide 3rd-level technical support in a timely and efficient manner. Occasionally, including communicating complex problems to the appropriate Service Provider's support teams/software vendors.

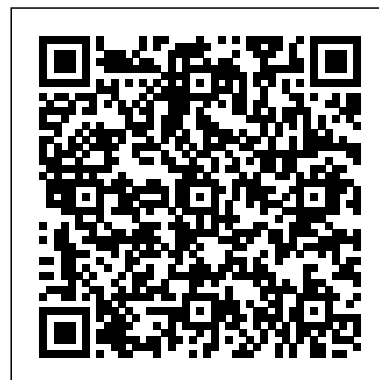

Váš profil

- Bachelor's degree in Computer Science or related field.
- 3+ years of relevant work experience in a global client environment.
- Previous experience with Microsoft Windows Operating system administration and troubleshooting.
- Experience with System Management Tools such as Intune, Autopilot, and Cloud-related knowledge/experience (AVD and Windows 365).
- Previous experience with Endpoint Privileged Management is a plus, e.g. CyberArk.
- Strong analytical and problem-solving skills.
- Strong communication and collaboration skills.
- Ability to work independently and as part of an international team.
- Fluent in English, min. B2.

O nás

Continental is a leading tire manufacturer and industry specialist. Founded in 1871, the company generated sales of €19.7 billion in 2025 and currently employs around 78,000 people in 54 countries and markets.

Tire solutions from the **Tires group sector** make mobility safer, smarter, and more sustainable. Its premium portfolio encompasses car, truck, bus, two-wheel, and specialty tires as well as smart solutions and services for fleets and tire retailers. Continental has been delivering top performance for more than 150 years and is one of the world's largest tire manufacturers. In fiscal 2025, the Tires group sector generated sales of 13.8 billion euros. Continental's tire division employs more than 56,000 people worldwide and has 19 production and 16 development sites.
