

Mandatory Internship - Global Platforms and Marketing Operations - REF97086Z

Vos activités

We are looking for an intern (m/f/d) starting **from August 2026** for a duration of **4 - 6 months**.

Are you passionate about digital innovation and eager to explore the intersection of technology, creativity, and strategy? As our **Global Platforms and Marketing Operations Intern**, you will play a hands-on role in supporting global initiatives that shape our digital ecosystem and strengthen collaboration across our global marketing community. The internship is primarily offered full-time, but we're happy to explore part-time options in alignment with your university's requirements.

Your Key Responsibilities:

- Support website management with a focus on SEO/GEO and domain management
- Contribute to internal project communication within the global marketing community via SharePoint and Microsoft Teams, regarding governance and content creation and publication

Votre profil

You...

- ... are currently studying (digital) communications, online marketing, or a related field
- ... have a genuine passion for digital platforms / communications / marketing
- ... have already gained some hands-on experience with website management and SEO/GEO topics
- ... are confident using MS Office tools in your daily work
- ... can communicate fluently in English, both written and spoken.
- ... enjoy working independently, but also thrive in a collaborative, international team environment
- ... are open-minded, curious, and ready to contribute your ideas
- ... have to fulfill a mandatory internship

Notre offre

- Your work with us will be fairly compensated: We recognize the value of your contribution and want to ensure you are appropriately rewarded
- We offer flexible working hours with hybrid work models, giving you the opportunity to occasionally work from home, because we understand how important the balance between personal and professional life is
- You will receive qualified support from our experienced
