

Working Student - Investment Controlling (m/f/d) - REF973520

Ihre Aufgaben

The Investment Controlling Tires department at our site in Hanover-Stöcken is largely responsible for advising and supporting our global Continental partners in the plants, markets and central units in investment decisions and approval processes. Furthermore, it is important to create transparency for management decisions and to ensure the optimal allocation of investment funds.

In this varied and international environment, we are offering a **working student** position (m/f/diverse) starting **August or September 2026**. The position should be filled for the next **12-24 months** with a working time of **20 hours per week**.

Your tasks:

- Support the Investment Controlling team in the Tires sector in implementing the digitalization strategy and providing related support
- Participate in the organization and execution of tests
- Assist in creating documentation (Wiki)
- Take on ad-hoc tasks and prepare/ update analyses and presentations
- Work as part of an international and communicative team

Ihr Profil

- Current student in Business Administration, Business Informatics, Industrial Engineering or a comparable field with a focus on Controlling/ Finance, with expected graduation in 12-24 months
- Initial practical experience through internships or similar in Finance, Controlling or Accounting is an advantage
- Confident handling of MS Office programs and well experienced with data visualization using Power BI
- Ideally, first experience with SAP (BW) and Analyzer for Office
- Excellent English language skills, both written and spoken
- German language skills are a plus
- Independent and structured working style, motivation, teamwork skills, and sense of responsibility
- Strong communication skills as well as good analytical and conceptual abilities with a high level of understanding

Please attach your **current certificate of enrollment** and also your **current transcripts of records**. Those documents are mandatory for processing your application. If required, please submit your **valid residence permit as well as your work permit** including the additional sheet.

Applications from severely handicapped people are welcome.
