

Head of Finance South-East Europe (SEE)

Náplň práce

About the Role

We are looking for an experienced and forward-thinking **Head of Finance SEE** to lead and steer all finance activities across the South-East Europe region.

The mission of this role is to **ensure financial transparency, liquidity, compliance, and profit-oriented steering of the business**, while acting as a trusted advisor to regional management and safeguarding the organization against financial and fiscal risks.

In addition, the position has **full leadership responsibility for the Hungarian accounting organization**, ensuring statutory compliance and acting as the legal signatory for financial statements.

Key Responsibilities

Regional Finance Leadership

- Lead and develop the finance organization across SEE (Controlling, Accounting, Credit Management, IT interface)
- Drive **budgeting, forecasting, and strategic financial planning processes** aligned with business objectives
- Ensure **accurate monthly, quarterly, and year-end reporting** in line with Group and IFRS requirements
- Provide **financial insights and performance analysis** to support decision-making
- Initiate and drive **profit improvement programs and efficiency measures**
- Monitor financial and fiscal risks and implement mitigation actions
- Partner with regional and global stakeholders (Management, HQ functions, auditors, banks, advisors)
- **Oversight of the IT function**, ensuring alignment between finance and digital systems, and driving efficient, secure, and scalable IT operations supporting business objectives

Hungarian Accounting Leadership

- Lead and develop the **Hungarian Accounting Team (Team Leader responsibility)**
- Ensure full compliance with:
 - **Hungarian GAAP financial statements preparation and submission**
 - **Local tax regulations** (Corporate Income Tax, VAT, HIPA, other statutory taxes)
 - **Statutory audit management and coordination**
- Oversee:
 - Month-end and year-end closing processes
 - Communication with the Hungarian Tax Authority and regulatory authorities

Právnická osoba
Continental Hungaria Kft.

- Ensure high-quality and timely **statutory reporting and filings**
- Provide support of **local payroll processes** (in cooperation with HR/external providers)
- Act as **authorized signatory of financial statements**

Governance, Compliance & Operations

- Ensure compliance with:
 - Local legal and fiscal requirements
 - Corporate policies, internal controls, and audit standards
- Coordinate legal and financial matters, including contracts and obligations
- Ensure appropriate liquidity and cash flow management at entity level
- Oversee credit management processes
- Ensure efficiency and compliance of finance-related IT systems

Leadership & Organization

- Lead, coach and develop a **regional finance team**
- Build a high-performance, continuously developing finance organization
- Drive **talent development, succession planning and capability building**
- Act as **Deputy Managing Director (finance matters)** where required
- A forward-looking, **digital mindset**, with proven ability to drive finance transformation through process automation, data-driven decision-making, and the adoption of AI-enabled solutions

Profil kandidáta

- Master's degree in Finance, Accounting, Business Administration or equivalent
- **Chartered Accountant certification (mandatory)** - required for signing Hungarian financial statements
- Minimum **10-15 years of experience** in Finance (Controlling, Accounting, Credit Management)
- Minimum **5 years of leadership experience** in international environments
- Expertise in:
 - Hungarian GAAP and IFRS
 - Hungarian taxation and statutory reporting
- Proven experience in:
 - Managing audits and regulatory compliance
 - Leading finance organizations across multiple countries
 - Business partnering at senior management level
- Fluent in **English**
