

Digital Process Automation Graduate

Jūsų užduotys

Kick-start Your Career in Automation & Digital Transformation!

Internal Process Automation Graduate (18-month Program)

Portugal | International Experience Included

Are you passionate about **automation, digital innovation, and solving real business challenges?**

Join our **18-month Marketing & Sales Graduate Program** and become a key driver of **process automation across Spain & Portugal**, while gaining international experience and building a strong foundation for your future career.

Your Impact Starts Here

As an **Internal Process Automation Graduate**, you won't just observe—you'll lead, build, and transform.

You will:

Lead **process automation initiatives** across Iberia (Spain & Portugal)

Design, develop, and optimize **RPA (Robotic Process Automation) solutions**

Roll out automation solutions across locations, adapting them to local needs

Identify opportunities to automate and propose smart, scalable solutions

Collaborate with **IT, developers, and business stakeholders** to deliver impact

Ensure strong **data governance and access management**

Contribute to decisions on **technology and infrastructure**

Track and report **KPIs** to drive continuous improvement

In short: you'll help shape how we work—making processes smarter, faster, and more efficient.

Your 18-Month Journey

Phase 1 - Learn & Contribute (Spain)

Build your foundation while working on impactful automation projects and getting to know our business.

Phase 2 - Go Global (6 months abroad)

Expand your horizons in an international team (e.g., HQ in Hanover or another EMEA location). Collaborate, learn, and grow globally.

Phase 3 - Shape Your Future

Return ready to step into your long-term role and make an immediate
