

Sanctioned-Party List Screening Analyst

Vos activités

We are looking for a Sanctioned-Party List (SPL) Screening Analyst to support Compliance/Export Control & Sanctions with operational tasks. The role focuses on conducting standardized sanctioned-party list (SPL) screening screenings, ensuring accurate assessment, documentation, and communication of results while adhering to compliance frameworks and escalation processes.

Key Responsibilities

Sanctioned-party list screening

Execution of sanctions list (SPL) screenings for legal entities, natural persons, countries and materials

Processing incoming requests via eSign, Dragonfly, CRM/Salesforce and KYBP

Timely execution with defined Service Level Agreements

Documentation of screening results in the respective tools or systems

Assessment & Documentation

Identification of clear false positives based on predefined decision trees and criteria; potential matches require escalation to EC

Case documentation (screening result, decision taken, rationale)

Standardizes response communication (cleared/escalated) to internal stakeholders

Tool-based & Administrative Execution

Provide status updates to requestors including basic user interaction and clarification of missing data using approved screening tools (e.g. KYBP, Dow Jones, SAP-based where applicable)

Escalation Handling

Immediate escalation of potential sanction hits, ambiguous cases, non-standard scenarios according to defined processes

No final decision-making authority; no interpretation of sanction laws
