

Mandatory Internship – Cybersecurity Reporting, Training & Awareness - REF98629N

Tus actividades

We are looking for an **Intern for Cybersecurity Reporting, Training & Awareness** to join our Information Security team within Tires Cybersecurity **as soon as possible for a period of 4 to 6 months (mandatory internship)**. In this role, you will support a team that is responsible for cybersecurity reporting across various target groups, including management, and for driving information security and cybersecurity awareness initiatives throughout the organization. Working in a dynamic and international environment, you will collaborate closely with Rule & Risk Managers as well as other Cybersecurity professionals to strengthen and promote a strong cybersecurity culture.

Key Responsibilities

- Support with the implementation of Cybersecurity trainings
- Support on delivering the contents for Cybersecurity Awareness
- Develop and maintain Power BI reports for Cybersecurity KPIs
- Develop Cybersecurity Office files and reports
- Support with scripts in getting data from our current tools
- Support the creation of community platforms in Teams and associated SharePoint
- Support with deploying Phishing simulations templates
- Help with the Cybersecurity community calls
- Assisting in the preparation of related internal events
- Apply and optimize communication in the worldwide community

Tu perfil

- Students (m/f/diverse) in the field of Electrical Engineering, Computer Science, Mechanical Engineering or similar study programs
- Knowledge of Operating Systems and Reporting tools, e.g., Power BI
- Competent handling of MS-Office (365), Sharepoint and Teams
- Data Analysis Tools (e.g. SQL, Python)
- English: fluent command of written and spoken
- German: basic command of written and spoken
- Excellent communication and stakeholder engagement skills
- Strong training development skills
- Need to complete a mandatory internship as part of your studies

Please attach your current **certificate of enrollment** and also your **current transcripts of records** and an extract of **certificate for a mandatory internship**. Those documents are mandatory for processing your application.

If required, please submit your **valid residence permit** as well as your **work permit** including the additional sheet.

Acerca de nosotros

Continental is a leading tire manufacturer and industry specialist. Founded in 1871, the company generated sales of €39.7 billion in 2024 and currently employs around 95,000 people in 54 countries and markets.

Tire solutions from the Tires group sector make mobility safer, smarter, and more sustainable. Its premium portfolio encompasses car, truck, bus, two-wheel, and specialty tires as well as smart solutions and

services for fleets and tire retailers. Continental has been delivering top performance for more than 150 years and is one of the world's largest tire manufacturers. In fiscal year 2025, the Tires group sector generated sales of €13.8 billion. Continental's tire division employs approximately 55,000 people worldwide. The business continues to operate 20 production sites in 16 countries and 16 development locations globally.

Within this exciting work environment, we are offering an internship position starting September 2026. For the best learning experience possible, the internship should have a duration of minimum 6 months.
