

Accounts Receivable Associate

담당 업무

We are seeking a highly organized and detail-oriented professional to join our Finance team. As an Accounts Receivable Associate, you will be responsible for accurately processing and reconciling customer payments, ensuring timely and correct application to the appropriate accounts. You will also play a key role in managing customer disputes and inquiries, as well as coordinating the setup and maintenance of new customer accounts.

As a vital member of the team, you will contribute to delivering exceptional customer experience while upholding the company's reputation for excellence and service quality. The ideal candidate possesses strong communication and problem-solving skills, a customer-focused mindset, and keen attention to detail, with the ability to manage multiple priorities in a fast-paced environment.

Job Description:

Responsibilities Dispute Management:

- Receive and investigate customer disputes, complaints, and inquiries promptly and professionally.
- Analyze and assess the nature and severity of each dispute to determine the appropriate course of action.
- Conduct thorough research and gather all necessary information related to the dispute. Collaborate with internal teams, such as customer service, sales, and legal, to gather additional information and seek resolution.

Responsibilities Cash Application: Accurately and efficiently post all incoming customer payments to the appropriate accounts in a timely manner, ensuring adherence to company policies and procedures.

- Reconcile payments received against outstanding invoices, identifying and resolving any discrepancies or issues promptly.
- Review and verify payment details, such as check amounts, ACH and wire transfers, credit card transactions, and other payment methods, to ensure accuracy.
- Communicate with internal stakeholders to resolve payment-related inquiries or discrepancies
- Maintain organized and up-to-date records of all cash transactions, ensuring accuracy and compliance with internal controls and audit requirements.

Responsibilities Account Creation:

- Originations - Receive, process, track and expedite credit applications and requests for account modification to ensure published service times
