O nás

Continental is a leading tire manufacturer and industry specialist that develops and produces sustainable, safe and convenient solutions for automotive manufacturers as well as industrial and end customers worldwide. Founded in 1871, the company generated sales of €19.7 billion in 2025, and the Continental team is made up of 92,653 employees at 336 locations for production, research and development, and administration in 54 countries and markets.

Today, we are one of the world's key suppliers for mobility. With the experience we have gained over 150 years and our expertise across the company, we will continue to set the technological benchmark and play a leading role in shaping the transformation in the automotive industry.

Continental Tires Manila Business Services Inc., an entity under the Continental group of companies, headquartered in Hannover, Germany, is a strategic shared services center offering centralized, standardized, and technology-enabled business support. It will perform back-office support services and business process outsource services such as, human resources, finance and accounting, procurement and supply chain administration, customer service, master data, compliance management and information technology, to its foreign operating entities situated outside of the Philippines, through knowledge-based and computer-enabled technology. We collaborate with partners to deliver high-quality, end-to-end solutions that drive growth and transformation.
