O nás

Continental develops pioneering technologies and services for the sustainable and connected mobility of people and their goods. Founded in 1871, the technology company offers safe, efficient, intelligent, and affordable solutions for vehicles, machinery, traffic, and transportation. In 2021, Continental generated sales of €33.8 billion and currently employs more than 190,000 people across 58 countries and markets. On October 8, 2021, the company celebrated its 150th anniversary.

With its premium portfolio for passenger cars, trucks, buses, two-wheel vehicles, and specialty tires, the Tires business area provides innovative solutions in tire technology. Smart tire-related products and services, together with a strong commitment to sustainability, complement the product portfolio. For tire dealers and fleet managers, the Tires business area offers digital tire monitoring and management systems, as well as additional services aimed at keeping fleets operating efficiently and enhancing their performance. Through its tire solutions, Continental makes a significant contribution to safe, efficient, and environmentally friendly mobility.
